arken
Quality products, online prices

arken

is the market leader in the design and manufacture of Graphic Display Solutions.

arken offers a comprehensive range of off-the-shelf graphic display products, including poster frames, lightboxes and freestanding signs, supplied at highly competitive prices.

Products are available from stock and can be delivered within five days. Many feature the unique ultragrip™ front opening system which enables graphics to be changed quickly and easily.

arken's products can be supplied in a wide range of colours, finishes and sizes. An extensive range of profiles and other component parts are also available which can be customised to suit individual client requirements.

This 'Essentials' brochure is designed to give you an insight into the type of products we offer. Please visit our comprehensive website www.arken-pop.com for full details on all our product lines, and to buy online.

External & Internal Lightboxes

Perfect for cinemas, pubs, restaurants and department stores, these lightboxes create an ideal focus point for important information or visual display both during and after hours.

Superlite - External Illuminated Lightbox

The ultimate lightbox with an enhanced design and hinged door mechanism.

- Interior or exterior use
- Single sided 128mm depth
- Mitred corners
- Supplied with clear acrylic front sheet

Curvex - Internal Illuminated Lightbox

Curvex lightboxes incorporate the 'Z' section profile to ease access to graphics and maintenance of electrics.

Convex in shape, this lightbox is aesthetically very striking.

- Excellent light dispersal
- Can incorporate graphic wings
- Messages easily interchanged

Shopfit - Internal illuminated Lightbox

Perfect for retail interiors, the shop fit lightbox provides maximum illumination whilst taking up minimal space.

- Easy to change graphics with removable front sheet
- Can be recessed to fit flush into a wall or display
- Excellent light dispersal

Literature Displays

Practical and robust these dispensers are a great way to display leaflets, menus and promotions. Many have a '3 in 1' function so can be used free standing, wall mounted or slat fixed.
